GELENEKSEL "BEN" İLE BİREYSEL "BEN" ÇELİŞKİSİ VE GELİBOLULU MUSTAFA ÂLİ

Edith Gülçin AMBROS**

Benlik belgeleri (*ego-documents*)

"Benlik belgesi" olarak çevirdiğim *ego-document* terimi, Amsterdamlı tarihçi Jacques Presser tarafından 1950'lerde yaratılmıştır. Presser bu terimle öz yaşam öykülerini, anıları, hatıra defterlerini, özel mektupları ve yazarın açık şekilde kendi işlerini ve hislerini konu ettiği başka metinleri kastetmektedir¹. Presser'in *ego-document* yani "benlik belgesi" terimini tanımlaması şudur: "yazan ve betimleyen özne olarak metinde sürekli şekilde bulunan bir 'ben' ile veya ara sıra (Caesar, Henry Adams) bir 'o' ile araştırmacının karşı karşıya geldiği tarihî kaynaklar"². Daha sonra, bu terimi daha kısa ve özlü şekilde "bir benliğin kasten veya tesadüfen kendini gösterdiği veya kendini sakladığı belgelerdir"³ olarak tanımlamıştır. Son zamanlarda benlik belgelerini sadece kaynak olarak incelemenin yetmediği, bu metinlerin sosyal ortamları (kontekstleri) içindeki işlevlerini incelemenin de doğru olacağı görüşü bazı araştırmacılar tarafından benimsenmektedir. Örneğin, Rebekka Habermas, yüksek sesle mektup ve hatıra defteri okumanın belirli bir dönemde Alman burjuvazisinin önemli bir içtimai

1 Terimin tanımlanması ve kullanım tarihçesi hakkında bk. Rudolf Dekker, "Jacques Presser's Heritage: Egodocuments in the Study of History", *Memoria y Civilización (MyC)*, 5 (2002), s. 13-37. agm., s. 13: "In the mid-1950's, the historian Jacob Presser introduced a new word: egodocument, meant as a term to indicate autobiographies, memories, diaries, personal letters and other texts in which the author writes explicitly about his or her own affairs and feelings." Bu yazıdaki bütün çeviriler benim tarafından yapılmıştır.

2 Rudolf Dekker, agm., s. 14: "He [Presser] defined egodocuments as 'those historical sources in which the researcher is faced with an "I", or occasionally (Caesar, Henry Adams) a "he", as the writing and describing subject with a continuous presence in the text'".

3 Rudolf Dekker, agm., s. 14: "Sometime later he [Presser] formulated it more succinctly as 'those documents in which an ego deliberately or accidentally discloses or hides itself ...'".

* 28-29 Nisan 2011 tarihinde Ankara'da yapılan Uluslararası Gelibolulu Mustafa Âli Çalıştayı'nda sunduğum bildirinin daha ayrıntılı versiyonu.
